AFURI kara kurenai Menu – Allergen Guide

- This chart provides allergen information based on the 8 ingredients required to be labeled by the Food Sanitation Law and 20 additional recommended ingredients.
- The information is based on theoretical analysis of raw materials. As all items are prepared in the same kitchen using shared equipment, there is a possibility of trace cross-contact with other ingredients.
- Please note that the dried sardines we use may be caught using methods that also catch shrimp and crab.
- Individual sensitivity to allergens may vary, and we cannot guarantee that allergic reactions will not occur.
- Please use this chart as a reference when selecting your meal. If you have concerns, we recommend consulting a medical professional or refraining from consuming our products.
